Mehlville Mentions is a program that allows our community to salute any Mehlville School District employee, volunteer or community partner who goes above and beyond what is expected. Whether you're a parent impressed with the special touch your child's teacher added to a moment, a coworker who thinks their colleague doesn't hear often enough about the great job they are doing, or a teacher who appreciates the volunteer hours spent by a parent or community partner in your classroom - you can send a Mehlville Mention!

We'll surprise your Mehlville Mention recipient with a certificate and share a shoutout on our social media accounts!

Nominate someone for a Mehlville Mention.

### Note From The Nurse

Dear Parents,

As part of our 8th grade science MAP review this year, 8th grade science teachers are having the students make "caves!" In order to do this, we are in need of empty 2L soda bottles. If you have any that you'd be willing to donate, please send them with your student and

ask them to drop them off to one of the 8th grade science teachers!

Thanks in advance!
